

# Welcome Home

I am more than a name upon the wall  
This is my message for all  
To those I love and those who loved me

I had to go, so release me and let me go  
You must not tie yourself to me with tears  
Be thankful for our beautiful years  
I gave you love you can only guess  
You gave to me more in happiness  
I thank you for the love you have shown  
But it was my time to travel on alone  
Thank you for grieving a while for me; it's your must  
Then let your grieving be comforted by trust  
It is only for a while that we must be apart  
So bless our memories within your heart  
I won't be far away as your life goes on  
So if you need me, call and I will come  
Though you can't see or touch me, I'll be near  
All you have to do is listen with your heart  
I will surround you with all my love soft and clear  
Someday it will be your time to come this way alone  
I will greet you with a smile and say "Welcome Home "
